### THIS SPRING'S DRAUGHT BEER FEATURE

### FULLSTEAM WORKING MAN'S LUNCH

Fullsteam's tribute to the Southern tradition of an RC Cola and a MoonPie. Working Man's Lunch beer is brewed with biscuity malts, vanilla, and chocolate nibs from Raleigh's own Escazu Artisan Chocolates. Brewed with a German Weizen (Weihenstephan) yeast strain to lighten the beer up and impart estery banana and clove notes, it's the dark beer for 'round the year!
